Access to Middlemore Clinical Trials from Car Park

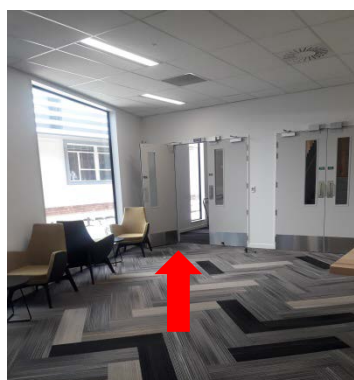

To access Middlemore Clinical Trials, walk toward the main hospital and turn left directly after the yellow building into the main entrance of Ko Awatea building.

Go through the double doors and go up the single set of stairs to the left by the lift

If unable to take the single set of stairs, take the lift to UG (Upper Ground).

On this level go through the doors on the left and up the ramp.

Go through the next set of double doors and enter the Main Ko Awatea building.

Take the turn on the left and go straight ahead. Middlemore Clinical Trials is approximately 10 metres on your right (past the vending and parking machines).

The waiting room is the 3rd door on the right.
